AIRPORT, and
d/b/a AC HOTELS BY MARRIOTT FT.
LAUDERDALE AIRPORT,

COMPLAINT

Plaintiff, HOWARD COHAN (“Plaintiff”), by and through undersigned counsel, hereby files this Complaint and sues DANIA POINTE PARTNERS, LLC, d/b/a MARRIOTT FT. LAUDERDALE AIRPORT and d/b/a AC HOTELS BY MARRIOTT FT. LAUDERDALE AIRPORT (“Defendant”), for declaratory and injunctive relief, attorneys’ fees, expenses and costs (including, but not limited to, court costs and expert fees) pursuant to 42 U.S.C. §12182 et. seq., and the 2010 Americans with Disabilities Act (“ADA”) and alleges as follows:

JURISDICTION AND VENUE

1. This Court is vested with original jurisdiction over this action pursuant to 28 U.S.C. §1331 for Plaintiff’s claims arising under Title 42 U.S.C. §12182 et. seq., based on Defendant’s violations of Title III of the ADA. *See also* 28 U.S.C. §§2201 and 2202 as well as the 2010 ADA Standards.

2. Venue is proper in this Court, Fort Lauderdale Division, pursuant to 28 U.S.C. §1391(B) and the Internal Operating Procedures for the United States District Court for the Southern District of Florida in that all events giving rise to the lawsuit occurred in Broward County, Florida.

PARTIES

3. Plaintiff, HOWARD COHAN is a resident of the state of Florida residing in Palm Beach County, Florida, and is otherwise *sui juris*.

4. Upon information and belief, Defendant is the lessee, operator, owner and/or lessor of the real property, MARRIOTT FT. LAUDERDALE AIRPORT, which is subject to this lawsuit, and is located at 166 N. Compass Way, Dania Beach, Florida 33004 (“Property 1”) and is the owner of the improvements where Property 1 is located.

5. Upon information and belief, Defendant is the lessee, operator, owner and/or lessor of the real property, AC HOTELS BY MARRIOTT FT. LAUDERDALE AIRPORT, which is subject to this lawsuit, and is located at 154 N. Compass Way, Dania Beach, Florida 33004 (“Property 2”) and is the owner of the improvements where Property 2 is located.

6. Property 1 and Property 2 are hereinafter referred to collectively as “Premises”.

7. The Premises are places of public accommodation.

8. Defendant is authorized to conduct, and is in fact conducting, business within the state of Florida.

9. Plaintiff is an individual with numerous permanent disabilities including severe spinal stenosis of the lumbar spine with spondylolisthesis; severe spinal stenosis of the cervical spine with nerve root compromise on the right side; a non-union fracture of the left acromion (shoulder); a labral tear of the left shoulder; a full thickness tear of the right rotator cuff; a right

knee medial meniscal tear; a repaired ACL and bilateral meniscal tear of the left knee; and severe basal joint arthritis of the left thumb. The above listed permanent disabilities and symptoms cause sudden onsets of severe pain and substantially limit Plaintiff's major life activities.

10. At the time of Plaintiff's visits to Property 1 and to Property 2 on March 22, 2022 (and prior to instituting this action), Plaintiff suffered from a "qualified disability" under the ADA and required the use of a handicap parking space and the use of other means of accessibility for persons with disabilities. Plaintiff personally visited the Premises, but was denied full and equal access and full and equal enjoyment of the facilities, services, goods and amenities within the Premises, even though he was a "bona fide patron".

11. Plaintiff, in his individual capacity, will absolutely return to the Premises in the near future and avail himself to the services offered at the Premises when Defendant modifies the Premises or modifies the policies and practices to accommodate individuals who have physical disabilities.

12. Plaintiff is continuously aware of the violations at Defendant's Premises and is aware that it would be a futile gesture to return to the Premises as long as those violations exist, and Plaintiff is not willing to suffer additional discrimination.

13. Plaintiff has suffered, and will continue to suffer, direct and indirect injury as a result of Defendant's discrimination until Defendant is compelled to comply with the requirements of the ADA.

14. Plaintiff would like to be able to be a patron of the Premises in the near future and be able to enjoy the goods and services that are available to the able-bodied public, but is currently precluded from doing so as a result of Defendant's discriminatory conduct as described herein.

Plaintiff will continue to be precluded from using the Premises until corrective measures are taken at the Premises to eliminate the discrimination against persons with physical disabilities.

15. Completely independent of his personal desire to have access to this place of public accommodation free of illegal barriers to access, Plaintiff also acts as a “tester” for the purpose of discovering, encountering and engaging discrimination against the disabled in public accommodations. When acting as a “tester”, Plaintiff employs a routine practice. Plaintiff personally visits the public accommodation; engages all of the barriers to access, or at least of those that Plaintiff is able to access; tests all of those barriers of access to determine whether and the extent to which they are illegal barriers to access; proceeds with legal action to enjoin such discrimination; and subsequently returns to the Premises in the near future to verify its compliance or non-compliance with the ADA and to otherwise use the public accommodation as members of the able-bodied community are able to do. Independent of other subsequent visits, Plaintiff also intends to visit the Premises regularly to verify its compliance or non-compliance with the ADA, and its maintenance of the accessible features of the Premises. In this instance, Plaintiff, in Plaintiff’s individual capacity and as a “tester”, visited the Premises, encountered barriers to access at the Premises, engaged and tested those barriers, suffered legal harm and legal injury and will continue to suffer such harm and injury as a result of the illegal barriers to access and the violations of the ADA set forth herein. It is Plaintiff’s belief that said violations will not be corrected without Court intervention, and thus Plaintiff will suffer legal harm and injury in the near future.

16. Plaintiff, in his capacity as a tester, will absolutely return to the Premises when Defendant modifies the Premises or modifies the policies and practices to accommodate individuals who have physical disabilities to confirm said modifications have been completed in accordance with the requirements of the ADA.

VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT

17. Plaintiff adopts and re-alleges the allegations stated in paragraphs 1 through 16 above as if fully stated herein.

18. On July 26, 1990, Congress enacted the ADA, 42 U.S.C. §12101 et. seq. Commercial enterprises were provided one and a half (1.5) years from enactment of the statute to implement its requirements. The effective date of Title III of the ADA was January 26, 1992, or January 26, 1993 if Defendant has ten (10) or fewer employees and gross receipts of \$500,000.00 or less. *See* 42 U.S.C. §12182; *see also* 28 C.F.R. §36.508(a).

19. Congress found, among other things, that:

- a. some 43,000,000 Americans have one or more physical or mental disabilities, and this number shall increase as the population continues to grow older;
- b. historically, society has tended to isolate and segregate individuals with disabilities and, despite some improvements, such forms of discrimination against disabled individuals continue to be a pervasive social problem, requiring serious attention;
- c. discrimination against disabled individuals persists in such critical areas as employment, housing, public accommodations, transportation, communication, recreation, institutionalization, health services, voting and access to public services and public facilities;
- d. individuals with disabilities continually suffer forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria,

segregation, and relegation to lesser services, programs, benefits, or other opportunities; and

- e. the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our country is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and nonproductivity.

42 U.S.C. §12101(a)(1)-(3),(5) and (9).

20. Congress explicitly stated that the purpose of the ADA was to:

- a. provide a clear and comprehensive national mandate for elimination of discrimination against individuals with disabilities;
- b. provide clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and
- c. invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced on a daily basis by people with disabilities.

42 U.S.C. §12101(b)(1)(2) and (4).

21. Pursuant to 42 U.S.C. §12182(7), 28 CFR §36.104 and the 2010 ADA Standards, Defendant's Premises are places of public accommodation covered by the ADA by the fact that the Premises provide services to the general public and must be in compliance therewith.

22. Defendant has discriminated, and continues to discriminate against Plaintiff and others who are similarly situated by denying access to and full and equal enjoyment of goods, services, facilities, privileges, advantages and/or accommodations located at the Premises, as

prohibited by 42 U.S.C. §12182, and 42 U.S.C. §12101 et. seq., and by failing to remove architectural barriers pursuant to 42 U.S.C. §12182(b)(2)(A)(iv).

23. Plaintiff has visited the Premises and has been denied full and safe equal access to the facilities, and therefore suffered an injury in fact.

24. Defendant's policies, practices, procedures and/or lack of training its staff to efficiently and effectively identify and reasonably modify its services creates an environment where individuals with disabilities are not provided goods and services in the most integrated way possible.

25. Plaintiff will return to the Premises in the near future and enjoy the goods, services, facilities, privileges, advantages and/or accommodations at the Premises on a planned, or a spontaneous, full and equal basis. However, Plaintiff is precluded from doing so by Defendant's failure and refusal to provide persons with disabilities with full and equal access to its facilities at the Premises. Therefore, Plaintiff continues to suffer from discrimination and injury due to the architectural barriers that are in violation of the ADA.

26. Pursuant to the mandates of 42 U.S.C. §12134(a), on July 26, 1991, the Department of Justice, Office of the Attorney General promulgated Federal Regulations to implement the requirements of the ADA. *See* 28 CFR §36 and its successor the 2010 ADA Accessibility Guidelines (hereinafter referred to as "ADAAG"), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$55,000.00 for the first violation and \$110,000.00 for each subsequent violation.¹

¹ Effective April 1, 2014 the civil penalties were increased, based on inflation, from \$55,000.00 to \$75,000.00 for the first violation and from \$110,000.00 to \$150,000.00 for subsequent violations. *See* 28 C.F.R. §§36 and 85.
